A CD-key will not work. I mean you can download the game and after the activation you can play for free, but you will have to buy a new license every year. That's why the Konami rule was introduced. You have to purchase the game new every year. Some people call this a ploy by Konami, but it also promotes the game and makes sure that the user buys the game and has it on their PC or console. It also promotes the next year version. You just purchase a license and then you get access to it the following year. This saves time, money, and prevents you from having to download the game all over again. Pro Evolution Soccer 2018 is a version of the popular football game Pro Evolution Soccer.
